

**Modification of the Bilateral Document for  
“Low Carbon Development Partnership between the Japanese side and the  
Mongolian side”**

The Japanese side and the Mongolian side consent on 20 July 2016 to modify the paragraph 11 of the Bilateral Document for “Low Carbon Development Partnership between the Japanese side and the Mongolian side” as follows:

11. This partnership covers the period for verified emission reductions or removals from the mitigation projects under the JCM to be made until 2030. Both sides consider possible extension of the above-mentioned period and reach a conclusion by 2030.
